(909) 289-8827 (cell)

FOR IMMEDIATE RELEASE

CONNECTOR RAMP SET FOR CLOSURE AT STATE ROUTE 60 AND I-215 IN RIVERSIDE

San Bernardino – The connector ramp between the westbound State Route 60 (SR60) to the southbound Interstate 215 in Riverside will be closed on July 14 and 15, Thursday and Friday respectively) for structural repairs. Caltrans will close the connector between 9 p.m. Thursday to 5 a.m. Friday, and again at 9 p.m. Friday to 10 a.m. Saturday.

Motorists can use the following detour to avoid the closure: Exit SR60 at Day St., proceed south on Day St. and turn right on Eucalyptus and proceed to the southbound Interstate 215.

The closures are part of ongoing work on the \$317 million effort to rebuild the 60/91/215 Interchange. Improvements to existing freeway interchanges and new freeway-to-freeway connector ramps are part of the overall project. This project is scheduled for completion in late 2007.

For project updates, call Caltrans directly at 1-866-60-91-215, or view the Web site at <http://www.dot.ca.gov/dist8/6091215/schedule.htm>.
